Engineering Feedback on Teaching Evaluation (EFTE)

The purpose of this survey is to collect feedback on how your engineering course is going so far this semester. Please rate the following items using the scale provided

21.	What has your instructor done	in this course t	that has helped you lea	arn the most?						

Please be as specific in your responses as possible. For example: You should say something like "The class activities and discussions really help me to apply and understand the material from the lecture" rather than "This instructor is great!"

22. What changes would you make to improve your learning experience in this course?
