The course objectives are being met.

To add a new question, scroll to the bottom and select New Question:

⋮ **What has your instructor done in this lab/discussion section that has helped you learn the most?** 1 pts

What has your instructor done in this course that has helped you learn the most?

Please be as specific in your responses as possible. For example: You should say something like "The class activities and discussions really help me to apply and understand the material from the lecture" rather than "This instructor is great!"

⋮ **What changes would you make to improve your learning experience in this discussion/lab section?** 1 pts

What changes would you make to improve your learning experience in this course?
